Karpaz Gate Marina in North Cyprus has released its new berthing prices.

Available to view now on karpazbay.com, the rates at the 5 Gold Anchor marina offer boat owners attractive annual and short-term berthing prices throughout the year and include special Summer Campaign discounts and packages.*

The 2016 Summer Campaign offers annual prices which include free haul out, hull wash, anti-fouling application and 14 days hard standing. Alternatively, annual berth holders can choose the option of up to a 40% discount instead of the haul out.

Even before any special campaign discounts, an annual berth at Karpaz Gate Marina for a boat with an LOA of 12m to 14.99m will cost €3,132 with the free haul out option, while a one-year berth for a boat between 21m and 24.99m is priced at €11,907. Daily rates, while no campaigns are running, are just €38 for a 12 to 14.99m boat or €123 for a 21m to 24.99m yacht.

Representing outstanding value for money, tax-free Karpaz Gate Marina is ideal as a low cost, long-term base for all yacht owners seeking a safe, secure home for their boat in the East Mediterranean.

The marina is also an unmissable destination for a short to medium-term visit for boat owners from nearby Turkey, and for sailors or charter companies cruising in the region who are interested in exploring the beautiful Karpaz Peninsula and other North Cyprus attractions.

In addition, the first modern marina in North Cyprus and official Port of Entry offers a convenient facility for boat owners in the region who require repair or maintenance work to be carried out or who need to fill up with fuel.

Karpaz Gate Marina caters for yachts up to 65m and features one of the best [boatyard](#) facilities in the region where it can execute a wide scope of technical and specialist work.

Leisure facilities include the exceptional Karpaz Gate Marina Beach Club, with 33m infinity pool and watersports centre, and Hemingway's Resto-Bar.
